I know all the parties mentioned as
sureties on Major Barber's bond, they
are all men of high character and
of fortune, the bond is unquestionably
good, I also know the fact that
very soon after the time specified
the enemies lines were thrown
around Judge Fitzmaurice and he
has been within them up to this
time. Major Barber has made
an excellent officer and has
complied with the law so far as
making the bond is concerned, if it
had been forwarded by the Judge. Respectfully
Yours, J. H. Davis

March 27th 12

Dear Sir

October 6th rec'd from J. Ellis Esq. that I had been
appointed Aid to Brig. Gen. George F. Sigelman
I entered immediately upon the discharge of
my duties and continued to act in that
Capacity until the fall of Fort Sumter on
the 4th of April. I was not captured with the
rest of the garrison but I was confined to my
bed by Clark. At that time from the effects of a
wound rec'd on Fort Moulson on the 14th day
of July. When the attack was made on the
Moulson by 12th Co. 1st Regt. Arkansas, Company
of the 1st Division commanded by my physician, and
attended to by Dr. J. H. McKinnon, and acted as an
Aid to him. During the fight, so far as I was
capable of doing with my crippled foot.
I did not see proper to remain with the Gen.
after the fighting was over; and I accordingly
proceeded to Nashville and reported for duty to
Gen. Johnson. He did not assign me to duty
telling me to report again. I have reported
again to Gen. Johnson. Gen. Johnson
has ordered me to report again. He directed
me to report to you, and hence, this letter
has come to the same doubt in the minds

of those gentlemen, as to whether I am an officer
in the service or not; and can I wish
directs me to ask you to decide the point.
They are very satisfied that if I had been
captured with the rest, I would have con-
tinued in service and as pay; but as I was
not captured, I am not an officer in the
service - thus proving, as a matter of fact, that I
was not a prisoner. To state it a little differently, if I
had been captured and could not have
rendered service, I would have held my posi-
tion and drawn my pay; but as I was not
captured and can render service, I am
satisfied of my position and receive my pay
accordingly, to rid the subject of it.

To Enclosure a letter, already to you, I have
sent you duty and ask to be assigned to
that duty. C. J. Smith and Hon. J. H. Mather
will give you any information you may
desire. It is now addressed to me, care
Miss Mrs. J. C. McKinnis, who will be
duly acquainted.

Very respectfully
Wm. A. Carson.

Contract.

By the two in company
with David Bond. Transmitted to the Storage Department
of Virginia, North and South Carolina and
Kemper, require the assistance of up addition of
Officers. The proper discharge of these duties require
that these officers should be men of high character
and undivided energy. All that can be spared
for the execution of our purpose is a necessity to
our Government entire devotion to duty on the part
of officers is necessary to place these employees in
position of service to sustain their credit.

I respectfully ask that you will nomi-
nate for the office of Capt. & A. Q. M. the following
named gentlemen - Philip P. Graham John Alcorn
John Smith. James Brown John H. Stent & Henry R.
Jackson. These gentlemen however in spirit are
personally known to me to possess the above mentioned
high qualifications for office of Capt. & M. H. Stent.
The first mentioned is a decorated soldier from Virginia
County Virginia. He is with me in the same
the others for the office of Capt. & M. H. Stent. The
others are also in the same position.

the Secretary of War. There has been no report
have been greatly neglected here. I thought
too important. Mr. Stevens was formerly Chief
of the State of North Carolina and he occupies
the duties of that position with the rank of Major
very excellently. Mr. Smith, also of North Carolina,
with all of the above qualifications for the office
of A. G. He has rendered some of the best
important services to the Government in my department
in the Iowa Territory. My personal acquaintance
with Mr. Stone is very limited, but favorable. He is
entirely trustworthy to his fitness for the office of
A. G. Mr. The gentleman is from Virginia. Mr. Stuart
is also from that State, and though personally
unknown to me I believe him to have high
qualifications for this office. I especially
believe his reputation in connection with the
Iowa Territory under the immediate orders
of Mr. J. E. Greer. I, who recommend him
very highly, and in the confidence of my
of whose judgment I have great confidence.
Mr. Graham is a lawyer of some prominence in
North Carolina. I have but slight personal
acquaintance with him, but he is highly recommended
by Mr. Stone and other gentlemen of
the Southern States.

It may seem to you strange that I have
not sent a report to you. I have been much
occupied with the duties of the State. It may be possible
for me to say that neither of the within named
gentlemen are either in contact with me or
with me in any manner.
I shall be Commissioner, as
respectfully and that they
ought to come for duty.

Very respectfully,

been in the service since the beginning of the

He has performed all the duties of a good soldier
and has been the subject, and endured all the
hardships of one of the best of the 13th Nov. 1864,
a conspicuous part in every battle, and was
seriously wounded in the second battle of Atlanta.
He is now disabled, so that he cannot

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the system has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied.

Sir: Dear

Sir

This will inform you that, I have been in dis-
order and should have called on you to have seen you and
made a candid statement of facts but things have
been the very inconvenient little while I was away to you
had made you as very busy as before then any
Explanation I might make concerning my case
I have therefore determined to oppose to you in
question, and to your honor only one more, that I have
acted in good complying with your order. I cannot deny
but it was the only alternative left me and the only
instance recorded against me of disobedience of order.
I have tendered my resignation twice, and on my own
account and once on the Certificate of the Surgeon
on the Surge of the Regime to which I was assigned and
on the Surge of the 16th Cavalry, and all persons
could have known to yourself but applications were
refused; ^{at the time} ~~when~~ you were that was my only
on my eye from which I have recovered, but am now
in a worse condition than ever. I am, therefore, I could
not, consistently with my own feeling of right, and
justice to myself, to the government to which I am
responsible, and to those who are put under my charge,
longer remain in a position where full justice could
not be rendered to all parties concerned, and have shown
myself to be Thompson of the Confederacy who is
who can explain to you the cause of my resignation.
I am for duty. I would feel it my highest obligation to
your order therefore you will advise me what course to
pursue saying all anxiously aside adding me as
Wilson etc. - this course is a great as is, otherwise,
I could make for an athletic error -

Very respectfully,
Wm. F. Graham

Conc. 17. 1. 1. 1. 1.

Cakaba Ala August 24th 1861
The Rev. Mr. Barker has since January 1861
performed all the religious offices of the
post - preaching the gospel in person & through
visiting the sick, and burying the
dead. We have great confidence in his
faith - & believe that if he receives the
appointment of Chaplain to the post &
that it will open up his way to
greater usefulness to those connected with
the service who may desire religious
attention. Mr. Barker served as a field
Chaplain of the 20th Ala. Regiment for
fifteen months & only resigned on account
of ill health - We recommend Mr.
Barker for the appointment of Chaplain
to this post.

Cahaba Ala. April 1st 1863.

General Cooper

Adjutant & Inspector General &c

Sir,

I have the honor
to offer my resignation of the office of
Chaplain of the 40th Regt. Ala. Inf. to
take effect from the 1st day of April
1863.

I am induced to offer this resig-
nation from the conviction that it will
be utterly impossible for me to perform
the duties of Chaplain to a regiment in
field service. I have hemorrhage from
the lungs twice last fall, and was forbidden
to preach, especially in the open air, by
very competent Physicians.

My resignation was forwarded nearly a
year ago, and for months I supposed that
my resignation was accepted. My friend
Rev. S. D. McCoy having applied for a
transfer from the 38th Regt to the 40th,
was informed that my name still appeared
upon the rolls as Chaplain.

I hereby certify

1st That I am not indebted to the Confederate
Government

2nd That I have no Government property in
my hands.

3rd That being now forty eight years old, and
having been more than twenty years a min-
ister of the Gospel there have never been any
charges against me "affecting my pay" or
other rise.

4th That I have never been absent without
leave up to the time that I suppose my resig-
nation was accepted. - The Govt owes me nothing.
I having been paid up to April 1st 1863.

 been seen by you on the 11th of June, 1864, in connection
 with the other witnesses for my company upon
 the 11th of June from Capt. Sampson's company. I was
 at the time a witness of the other officers of this
 company, as we were then that the company was being
 furnished. There were men who of the Company were being
 that they were at the time in the unit lately
 of the 9th of June. I am sure of the fact that
 I am sure to say, as I never had any transaction
 with you. I have seen evidence of your claims of anything
 anything. Capt. Pierce then said that as the
 attributed to Capt. Sampson's company, might have been
 this money to know the proper value.

The first of these is the
 fact that the system is
 not self-sufficient. It
 is dependent on the

 of its needs. This is
 a serious weakness.

We certify that we have carefully examined the records of the
Old Battery, and find them in respect of performing the duties of
a soldier with his Company, because of several "accidents", from
the effects of which he has suffered several years. He has been
declared, in our belief, to be a soldier and to fit for duty for twelve months,
and as he is not deemed a subject for discharge, being fit for service

Enclosed I send you a letter from
Hem. & Dartsdale regarding me for the
appointment of Lieutenant in the Confederate
Army. On this occasion I do have reference
to call your attention to a letter addressed to
the President, upon the same subject, by the
Hon. J. N. Pugh in whose statement I was
employed prior to my enlistment in the vol-
unteer Company of which I am still a
member.

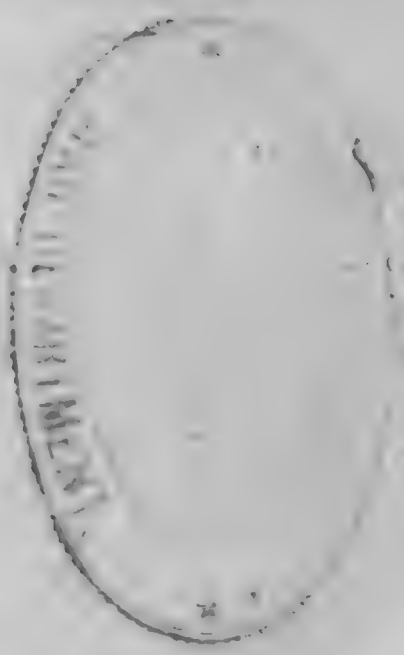

I hardly deem it necessary to say anything
in addition to what is contained in those
letters together with one addressed by me to the
President, further than, that I am a native
resident of a graduate of the State University
and also sell an impale that was not ad-
mitted by myself to her.

On my official bearing I earnestly
request your early and favorable consideration.
Any communication you may think proper to
make, will reach all of my friends to this

My dear friend

With the incense of the Army responsibility there
could be a want of more Officers - to be appointed by you. It may
perhaps state is entitled to any more, I feel it my duty as well as
pleasure to recommend to you most favorably consideration Col.
Am. Bartlesdale for the position of Brigadier. I understand an
application has already gone forward in his behalf and I can
but add my testimony to his worth and qualifications as a
man, a soldier and an Officer. It nearly five months past
Col. Bartlesdale with his Regiment has been under my command
and it is due him to state that in every position and under
all circumstances he has proved himself eminently worthy
of command - ever prompt, active, energetic and efficient.
There are several Brigades without Inf. Gen. and he could readily
be assigned to duty in the capacity of Brigadier. It is well
to say any thing in praise of Col. B. - of his ability - his obliging
as you know him well and can but know him favorably. His
appointment at this time would be extremely gratifying to his
numerous friends, and greatly raise the public's esteem; & will
I regret his loss from my command, I must hope you will not
hesitate to give him the desired appointment, & oblige
Wm. J. H. Davis

As you are true friend

[Faint handwritten notes, likely bleed-through from the reverse side.]

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor discoloration and faint, illegible markings, possibly from the reverse side or due to age. The left edge of the page shows the binding structure, including stitching and the inner cover material. There are some faint, dark lines and smudges across the page, but no text or other markings are visible.
